

Trek Part

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning machinery. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have more than 60 years of experience successfully marketing, manufacturing, designing, developing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are committed to providing new design concepts and top quality so as to meet the diverse requirements of their customers.

In their product development; TREK Cleaning Machines always provides fresh design ideas. They like offering products which energize both their partners and their dealers and offer production gains to their clients.

The TREK team of staff likes new tasks and new challenges. They are really proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the comprehension of operators' requirements and skills together with their understanding of cleaning applications, along with owners' strong desire to considerably reduce expense through productivity gains.

The personnel at TREK and their dealer-partners are strongly dedicated to having both parts and technical support accessible when it is required. Their high service dedication is amongst the core values in their customer service. Keeping their clients' cleaning machinery working and ready on a daily basis is top priority. The company's top of the line technology delivers reliable machine that eventually lowers your cleaning cost. The service, the product and the price all work together to be able to make them the leader in the business.
