

Rockwell Parts

Rockwell Parts - AxleTech International is a leading dealer in the globe of specialty vehicle drive-train systems and parts together with off highway vehicles. The business prides itself on being its customers' chosen supplier. AxleTech strives to exceed and meet their customers' expectations for service, technology, delivery and quality. They believe in working in an environment which encourages the utmost integrity with empowered teamwork, together with a relentless pursuit of results.

AxleTech International is a General Dynamics business. They believe strongly in actively using principals of environmental stewardship and safety in how they do business. The company has put different programs in place so as to articulate these values in their business policy. AxleTech happily shares this policy and welcomes interested parties to offer them with whichever comments or questions, because they are glad to promote and share this policy with a greater understanding of their efforts. They are really committed to improving and preserving the environment. AxleTech has an EHS program which not just protects the environment but which also actively protects their employees and neighbors too.

AxleTech prides themselves as being a ground-breaking drive-train solutions provider. They specialize in manufacturing and designing planetary axles used for both military and commercial applications. These applications range from airport ground support to construction equipment. AxleTech specially designs axles to meet particular application demands. They have more than 1000 different axle specs in their existing offering. With more than 100+ years of experience and history, AxleTech proudly supplies the most complete solution for whichever of your axle requirements. The company is well known in numerous commercial and military applications. They provide complete axle assemblies used for aftermarket replacement needs, along with servicing axle needs for OE production. Their high mobility ISAS have added details that could be found in the "ISAS" product selection.
