

American Lincoln Part

American Lincoln Parts - The American Lincoln division is now linked with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machines that are recognized within the business as durable and strong equipment which satisfies the requirements of larger infrastructure and heavy industry. Products made in America; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery-operated walk behind version of floor scrubber along with the Clarke Company which is now also owned by Nilfisk Advance. Their manufacturing operations are based in Springdale Arkansas. These types of scrubbers are obtainable in the market under the trade mark name "Encore". American Lincoln has the ability to provide parts, warranty service and equipment for these scrubbers that have both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice equipment of big distribution centers like Target and Wal-Mart. The 7765 line has earned the respect of many facility supervisors where results and efficiency count. Recently, this floor scrubber model has been requested by the architects in different construction jobs like for instance Lowes Home Improvement Stores and Home Depot's. Flooring contractors make use of this particular sweeper scrubber on site because of the model's utmost performance level and excellent quality for polishing concrete.
